

Genesis United Methodist Church

Photo Release Form

Memories of the happenings of Genesis United Methodist Church occur often. At certain times, we wish to capture these moments on film. At our disposal, we have the church newsletter, the internet, and other media that go out, both for members of Genesis and as PR for our church to the community. However, in the interest of your child's privacy, we do not want to use or post pictures in our publications or church media if you as parents are not comfortable with it. We will always refuse to use a child's full name in a picture caption whenever used on the internet or in other community publications. When identifying a child online, only a first name would be given. However, the final choice is yours as parents of your children, and that is why this form exists. This form will be kept in the office until your child reaches the age of 18. If you wish to change your permission status, please contact the church office and we will update our files.

Please return this form to the church office at your earliest convenience. Thank you!
